Re: **US v Henry P. Steeneck**

07 Cr 929

Your Honor:

Mr. Steeneck has undergone the second surgery removing the old shunt and tube. I understand from his father that the operation was delayed until Wednesday 9 PM due to Mr. Steeneck's continued fever and the availability of an operating room. He continues his admission at Hudson Valley Hospital Center where is recovering from the two operations. I am told by his father that Mr. Steeneck has developed a staff infection which complicating his recovery.

Mr. Steeneck's father has had direct contact with DR. Rosner and has requested a letter of update for the Court. I have left messages with r. Rosner's office for the same purpose and will forward the Dr. Rosner's letter when received.

Sincerely,

Charles J. Diven, Jr., Esq.

*THE CLERK OF COURT
IS RESPECTFULLY REQUESTED
TO DOCKET THIS LETTER.*

SO ORDERED

KENNETH M. KARAS U.S.D.J.
